

Flowerpots Privacy Policy

1.Introduction

Welcome to our **Flowerpots** application (hereinafter referred to as "this application"). We are committed to protecting your privacy and hereby explain the privacy policy of this application to you.

2.Overview of Privacy Policy

This application does not collect any of your personal information. Our design aim is to provide services to you without the need to obtain your personal data.

3.Application Function and Data Usage

All functions of this application only run locally on your device and will not transfer any data to our servers or any third parties.

4.Third-Party Services

If this application contains third-party services, we will ensure that these third-party service providers also follow the principle of not collecting personal information.

5.Changes to Privacy Policy

We may update this privacy policy according to legal requirements or business changes. In case of significant changes, we will notify you prominently within the application.

6.Contact Us

If you have any questions or suggestions about this privacy policy, please contact us via the following email: flowerpot.app@outlook.com
